Commissioner for Patents

The reply filed on 7-21-06 is not fully responsive to the prior Office Action because: the issue of two different claims numbered 48 still exists. Applicants have not resolved this issue and the indication of cancelled claim 48 and pending claim 48 is still improper. The amendment is again improper, there cannot be two claims numbered 48, ever. Applicants are directed to 37 CFR 1.121 (D) Claim Numbering: All of the claims in each amendment paper must be presented in ascending numerical order. The claims are clearly not compliant with this because the existence of two claim 48's in the amendments is not in ascending numerical order. Applicants are also directed to 37 CFR 1.126. Numbering of claims provides that when claims are added, they must be numbered by the applicant consecutively beginning with the number next following the highest numbered claim previously presented. Since the period for reply set forth in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 CFR 1.136(a).

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
